Amazing venue. Reception room was a dream! Looked amazing and all the staff were so great. Always on top of clearing tables and refilling drinks throughout the night. The lead up to the day was great they helped with every little detail and even did food tasting which we found really helpful. Would highly recommend them to any of my friends and family.

We found the Royce Hotel a very easy venue to work with. Our Wedding Coordinator was an utter delight, and nothing was too much trouble. We had such an amazing night, and the ballroom looked exquisite with the theming we had chosen.
